## Local Matters.

### Sun and Tide Table.

Sun rises tomorrow at 5:47 and sets at 6:50.  
High water at 12:13 p. m.

### Weather Probabilities.

For this section rain tonight or Tuesday.

### ERROR IN LOCATION.

It was stated in Saturday's Gazette that a frame house stood in bygone days on the north side of Prince street, between Washington and Columbus, the site on which Mr. Egbert Thompson is about to erect three modern dwellings. It was also stated that the late Miss Mary Bates at one time taught school in the building, and that it was subsequently removed from that site to Pitt street, opposite St. Paul's Church. The writer based the item upon information obtained from a citizen well-versed in years who said he witnessed the removal of the house. Several persons have since questioned the accuracy of the statement. They further say that at no time during the past three-score and ten years has a frame house stood on the spot indicated. A resident of Alexandria, who is now advancing to the nonagenarian mark, says a frame house which many years ago stood on the north side of Prince street, next to the Second Presbyterian Church, was removed to the west side of Pitt street, opposite St. Paul's Church. He, with several other old residents, is positive in his assertions that Miss Bates' school was situated on the west side of Washington street, between Prince and Duke.

### POLICE COURT.

[Justice H. B. Caton presiding.]  
The following cases were disposed of this morning:  
Henry Foster, colored, charged with disorderly conduct, was fined \$2.50.  
John Jordan, colored, charged with cutting Gus Marshall, also colored, was fined \$50.  
A white boy, charged with disorderly conduct, was fined \$1.  
Robert Coleman, colored, charged with being drunk and disorderly, was fined \$2.50.  
A young white man, charged with being drunk and disorderly, was dismissed.  
The owners of two cows were fined \$2 each for allowing the animals to go at large in the streets.  
A white man, charged with being drunk and disorderly, had his case continued.  
Eight white boys, charged with congregating on a corner and engaging in disorderly conduct, were fined 50 cents each.

### BOYS FINED.

Eight boys were before the Police Court this morning charged with congregating at the corner of Wilkes and Royal streets and engaging in disorderly conduct. Justice Caton, after hearing the evidence, stated that it was the purpose of the authorities to put an end to corner loafing, and in this case he would impose a minimum fine of fifty cents upon each of the accused, but with the understanding that were they arrested again they would be made to pay a more severe penalty, as the maximum fine is five dollars. Several darkeys were arrested last week charged with loitering on a corner and were fined \$1 each. The police are endeavoring to break up this species of annoyance, as complaints are made almost daily of disorderly gatherings at different points in this city.

### FIREMAN SCALDED.

Patrick H. Edwards, a Southern Railway fireman, whose home is at Jonesville, Va., was brought to the union passenger station early last night suffering from serious injuries caused by the bursting of a flue on a passenger locomotive at Calverton, about 40 miles south of this city, shortly after 6 o'clock yesterday evening. The injured man was taken to the Alexandria Hospital. When the accident occurred the train was not in motion. Edwards was temporarily blinded by a rush of steam and either fell or jumped from the locomotive, breaking several ribs and dislocating his ankle and shoulder. He also was badly scalded about the face and neck.

### AMUSEMENTS.

As will be seen by the published advertisements of the amusement houses on this page, an excellent vaudeville programme is in store for those who attend the performances tonight. The motion pictures will be entirely new and interesting.  
At the Opera House Miss Marie Carter, up-to-date soubrette, the Huffman Bros. song and dance artists, and the celebrated Jack Conley, are among the excellent talent.

At the Surprise, The Raymonds will present a farce comedy entitled "There," Bontz and Bontz, up-to-date acrobats, and Lew Albert, the greatest German comedian on the stage.

### SECOND BAPTIST CHURCH.

The members of the Second Baptist Church on north Columbus street are much encouraged over the movement recently inaugurated towards the erection of a new and modern church building. At a meeting of the congregation a few nights ago a committee consisting of the pastor, Rev. C. K. Hobbs, James A. Hollis and Mrs. J. T. Nalls, was appointed to make the preliminary arrangements. A plan, submitted by Capt. J. P. Woody, to finance the project, was adopted.

### ASSAULTED AND ROBBED.

A man who gave his name as Riley Scott, aged 35 years, who was suffering from a number of injuries, told the police yesterday that he came to this city Saturday night with two men, whom he took to be soldiers, who assaulted and robbed him after the trio left the electric cars at Spring Park. Scott was taken to the Alexandria Hospital where Dr. Powell rendered surgical assistance.

### FINED FIFTY DOLLARS.

John Jordan, colored, was arrested Saturday night by Officers Roland and Nicholson on a charge of assaulting and cutting Gus Marshall, also colored. The cutting occurred in front of a saloon in the southern section of the city. Jordan was brought before the Police Court this morning and fined \$50.

CONSECRATION SERVICES.

At yesterday morning's services at Christ Church Rev. W. J. Morton made announcement of the services to be held in that church on October 20 on the occasion of the consecration of Bishop Coadjutor Arthur S. Lloyd. He stated that on account of the limited seating capacity of the church, admission would be by card only. The church, he stated for that day had been turned over to a committee representing the diocese, and the first floor would be reserved for visiting bishops, ministers, members of the Episcopal Council, etc. This will leave only the galleries for seats for visitors Alexandrians. Tickets for these seats and will be distributed among the vestries of St. Paul's, Grace and Christ churches.

The tickets allotted to the vestry of Christ Church will be in the hands of Mr. G. L. Bothe, and applications for them must be made in writing. Mr. Morton said he hoped no one would be offended if he failed to secure a ticket, for the reason given above.

FESTIVAL CLOSED.

The "Autumn Festival," which proved a very enjoyable means of entertainment for a great many people, which was given at Armory Hall the last four nights of the past week under the auspices of the Seminoles Tribe of Red Men, closed at midnight Saturday. It is conceded that it was a novel affair and those in charge deserve great praise for the way in which it was conducted. While strolling along the banks of the Bosphorus one bright moonlight night, Caliph Haroun al Raschid, disguised as a deep sea Jackie, came upon a party of sailors who were recounting tales of their wonderful experiences in foreign lands. And the story that impressed the Caliph most was the one about a city called Alexandria, where the fresh meats imaginable were sold in a store known as the Auth Market. And that store is now at the northwest corner of King and Alfred streets. Probably right near you. We cut you let us enter to your fresh meat trade?
